An honest Confession.

If we were asked the reason why "Viavi" performs such wonderful cures, we would be honest, and say, "We don't know." Ask a scientist why an apple invariably falls downward, and he would say it was due to the law of

Gravitation.

That is about all he could tell you. It is no more natural for bodies to gravitate toward the center of the earth than it is for "Viavi" to cure the diseases peculiar to women. It is not a drug, but a food, which nourishes and strengthens the affected parts, thereby enabling nature to throw off the disease. Our Health Book sent free.

TO-DAY'S MARKET REPORT.

Furnished by W. E. Federman, Broker in Grains, Provisions and Stocks, Real Estate Building, corner Seventh and Jackson Streets.

Chicago Market.

Chicago, March 27.—Wheat opened weak with May 38½c. The weather here was spring-like and that made the local crowd so crazy. Minneapolis wired that the temperature today ranged from 20° to 40° above through the north west. New York was 30° lower, Duluth 10° lower and Minneapolis 10° lower. The increase of passage 1,140,000 was also a bad factor, as were the northwest receipts, which were larger than last year. May, after opening 35c lower, declined to 32½c, afterwards reacting to 35c.

Wheat kept dull and steady the greater part of the day. Advices were various as to the result of Saturday and Sunday's cold weather. Gov. Stanhard wired his
